- The pace of teaching is a little bit of slow. Students are worried about the progress of the syllabus as it is delayed for now.
- The way lecturer is teaching a little repetative, try to reduce on repeating the previous chapter and progress faster in syllabus. Lecturer was amazing but there are room of improvement in the speed of teaching.
- When the lecturer listens to our concerns seriously and tried her best to help :)
- group discussion
- no any complaint to this lecturer. She is patient and responsible to the student. She taught &explain to us until we understand .she also friendly to each of us.
